WATER DATA HACKATHON IN REPUBLIC OF MOLDOVA

December 04-05 2024

APPLICATION FORM

Join us for an exciting two-day event dedicated to fostering innovation and sustainable solutions! The "Water Data Hackathon" is focused on sustainable water governance, allowing participants to join efforts in developing digital solutions that will support decision makers and help engage all stakeholders in water resource management. The hackathon is organised by the European Union with the support of NGO „Renașterea Rurală" in close collaboration with the Ministry of Environment of the Republic of Moldova.

The event is scheduled to take place on the 04 and 05 December 2024
